B-6. Guidelines in the Preparation of the specific requirement to the Nurse Licensure Examination

Major and minor scrubs classification shall follow PhilHealth Categorization such that 30 Relative Unit Value or R.U.V. and below are categorized as MINOR cases and 31 R.U.V. and above are MAJOR cases. HOWEVER, when there is discrepancy between the PhilHealth and Hospital classification, the **HOSPITAL classification** shall prevail.

While the PhilHealth Classification is used as guide, **DIAGNOSTIC PROCEDURES ARE NOT TO BE INCLUDED** in determining major or minor scrubs.

Specifically:

1. For major operation, 2 students may actually assist a major surgery or when the procedure takes two (2) hours or more, two (2) similar cases maybe allowed.
2. For minor operation, two (2) similar cases maybe allowed but only one student may claim the cases.
3. Deliveries in the community are to be supervised by a clinical instructor with Master's Degree in Nursing or Allied Medical or Health-Related Sciences and signed by the same before the approval of the Dean.

Note: Emphasis must be given to competencies developed during the intra-operative and intra-partal phase and a variety of cases is preferred.

4. The faculty member, clinical coordinator, chief nurse and dean WITH ACTUAL ACCOUNTABILITIES in the RLE of the student must be the signatories to the forms.
5. Student must accomplish as many forms depending on the number of institutions/agencies where the RLE have been conducted. OR-DR-Cord Care Cases completed in two or more hospitals or agencies must bear the signature of the Chief Nurses of the particular institutions or agencies.
6. The Delivery Room and Initial Cord Care requirements of Registered Midwives who are nursing graduates applying for the Nurse Licensure Examination are hereby WAIVED, provided they submit a "photo copy" of their updated PRC Identification Card.

For nursing graduates who have completed midwifery courses but have not practiced and/or are "under board" beyond five (5) years from date of midwifery graduation, a supervised case of one (1) actually handled delivery and cord care shall be required for the Nurse Licensure Examination properly documented and reported through the required Delivery/Initial Cord Care Forms.

"Pre-Numbered" Nurse's Application Form (NAF) may be obtained only at the Information Desk, PRC Central and Regional Offices only and which are NOT FOR SALE.

- (d) Be a holder of a master's degree in nursing, education, or other allied medical and health sciences conferred by a college or university duly recognized by the Government of the Republic of the Philippines.

In addition xxx, the dean of a college must have a master's degree in nursing. He/she must have at least five (5) years of experience in nursing.

Article VI

Sec. 29 – Qualifications of Nursing Service Administrators. – A person occupying supervisory or managerial positions requiring knowledge of nursing must:

- (a) Be an RN in the Philippines;
- (b) Have at least two (2) years experience in general nursing service administration;
- (c) Possess a degree of Bachelor of Science in Nursing, with at least nine (9) units in management and administration courses at the graduate level; and
- (d) Be a member of good standing of the accredited professional organization of nurses;

Provided, That a person occupying the position of chief nurse or director of nursing service shall, in addition to the foregoing qualifications, possess:

- (1) At least five (5) years of experience in a supervisory or managerial position in nursing; and
- (2) A master's degree in nursing;

Provided, further, That for primary hospitals, the maximum academic qualifications and experiences for a chief nurse shall be as specified in subsections (a), (b), and (c) of this section:

Provided, furthermore, That for chief nurses in the public health agencies, those who have a master's degree in public health/community health nursing shall be given priority.

Provided, even further, That for chief nurses in military hospital, priority shall be given to those who have finished a master's degree in nursing and the completion of the General Staff Course (GSC):

Provided finally, That those occupying such positions before the effectivity of this Act shall be given period of five (5) years within which to qualify.

Article IX

Sec. 36 – Enforcement of this Act. - It shall be the primary duty of the Commission and the Board to effectively implement this Act. Any duly law enforcement agencies and officers of national, provincial, city or municipal governments shall, upon the call or request of the Commission or the Board, render assistance in enforcing the provisions of this Act and to prosecute any persons violating the same.

Sec. 40 – Repealing Clause. – xxx All other laws, decrees, orders, circulars, issuances, rules, and regulations and parts thereof which are inconsistent with this Act are hereby repealed, amended or modified accordingly.

GENERAL APPLICATION RULE

INSTRUCTIONS to the PRC Central and Regional Offices: *In cases where there are problems in the processing that cannot be resolved at the level of the application division, the application should be referred to the Board of Nursing with the corresponding findings. There should be no alterations from the requirements contained herein. All Matters forwarded to the Board of Nursing and all decisions warranted by the same Board are FINAL AND EXECUTORY.*

INSTRUCTIONS to the College of Nursing Deans: *Please see to it that the guidelines for the processing of Applications for the NLE shall be strictly observed.*

ADVISORY FOR REPEATERS: In order for REPEATERS, to be better equipped in taking any succeeding NLE, YOU ARE ENCOURAGED to visit your Nursing College Dean for appropriate GUIDANCE so that you may obtain the proper orientation / re-orientation: (1) into the current NLE Test Framework and (2) get guidance prior to seeking another application to the Nurse Licensure Examination. EVERY NURSING GRADUATE IS OUR CONCERN IN NURSING!

PRC-NLE-APPLICATION DEADLINE RULE

INSTRUCTIONS to the College of Nursing Deans and Nursing Graduates: *Please see to it that PRC – Set DEADLINES for the filing of application to the NLEs are strictly observed. FILING OF APPLICATION TO THE NLE IS STRICTLY “INDIVIDUAL” (meaning the graduates themselves need to file their own application to PRC similar to when professionals are filing for the renewal of their respective Professional I.D.’s).*

Only application-documents filed completely or completed on the set deadline shall be processed and given due course of action by the PRC Application Division.

LIABILITIES

All entries made in the academic records (Transcript of Records) of graduates shall be the principal responsibility and accountability of the REGISTRAR;

Entries made in the Summary of Related Learning Experiences, Operating Room / Delivery Room / Initial Cord Care Record of Cases shall be the sole responsibility and accountability of the DEAN OF THE COLLEGE OF NURSING.

Additionally and a more encompassing reminder to everyone concerned is the explicit proviso of Republic Act 9173, Article IV, Section 13 on *Qualifications for Admission to the Licensure Examination*, which state:

“In order to be admitted to the examination for nurses, an applicant must, at the time of filing his/her application, establish to the satisfaction of the Board that:

- (a) He/she is a citizen of the Philippines, or subject of a country which permits Filipino nurses to practice within its territorial limits on the same basis as the subject or citizens of such country: *Provided*, That the requirements for the registration or licensing of nurses in said country are substantially the same as those prescribed in this Act;
- (b) He/she is of GOOD MORAL CHARACTER; and
